

COMPENSATION PLAN AND BENEFITS

Sales Commission = $X\% \times 10 \times \text{BVP}$

Override Bonus = Your commission % minus that of your closest level downline's commission %. To receive an override, the downline's level must be below yours.

Example = If you are at the Manager level, and your Downline at the Distributor level makes a sale/purchase, you will receive $32\% - 15\% = 17\%$

Override Bonus if there is no Supervisor between you. If there is a Supervisor between, your Override will be $32\% - 24\% = 8\%$ Override Bonus.
